

# Hawk Eye™ bird flight diverter guy wire marker

BFD-051, BFD-076

## Hotstick installation

### Supplies

- Hawk Eye™ bird flight diverter
- Retention clip, included
- Adjustable pliers, not included

## Instructions

Flex the marker and place it over the wire.

Push the marker over the wire in a downwards motion until it snaps into place.

Place the retention clip around the wire underneath the marker and pre-engage by hand.

Tighten the clip with adjustable pliers.
